

100 Hundred Angels has truly has been a blessing to our asylum families. Two months ago we started our mission CommUnity@Central at Central United Methodist Church. We was connected with Cecilia CEO of 100 Hundred Angels from the beginning her team has blessed us every time we need any supplies for our families. Cecilia has gone above and beyond to help our mission here at Central. It is a honor to have met Cecilia and her team. I pray over your hands that God will continue to bless them to be a blessing to many families all over the world. I look forward to us continuing our relationship and impacting the world together.

Respectfully,

I wish by this means to recognize the excellent work that the One Hundred Angels organization is doing. I also want to thank you for your selfless and compassionate work you do on behalf of families in need.

Since 2019, this organization has been providing us with a support service in our work with the migrant families who come to our church week after week.

The support they have been giving us since then is by providing medical care, hygiene kits that are delivered to families, medicines, among other very useful things such as clothing and travel items for migrants.

I would greatly appreciate the help that can be given to One Hundred Angels so that they can continue with such noble work in favor of the needy.

This letter is in favor of *One Hundred Angels* . This non-profit has been a tremendous support for our temporary Asylum shelter, located in Laveen AZ , and Phoenix AZ . We have had the privilege to work with one hundred angels since 2018. In 2019 with the unexpected migrant flow that happened in Phoenix AZ, *One hundred Angels* supported our shelter with a group of medical support for the families who were released from ICE.

One Hundred Angels has provided Hygiene kits, over the counter medication, free telemedicine appointment, and Clinic resources in the area where Asylum seekers will be resettling.

Helping with all my heart also is located in Algodones Baja California Mexico. One Hundred Angles donated \$1,000 for our projects in Mexico. It has been a blessing to have connected with this amazing Non-profit who is committed to helping the most vulnerable.

Respectfully,

I am writing you to share the endless work One Hundred Angels provides to the asylum seeking ministry I run through the Grove Church in Chandler Arizona. We first connected with OHA in early February for our first asylum seeker day and OHA showed up out of the blue and dropped off much needed hygiene kits for all. From that point on OHA is always there to supply us with not only hygiene kits but medicine, clothing, toys etc. The supplies OHA provides allows me to purchase other important items including plane tickets, transportation expenses, food, shower truck, just to name a few. Our highest daily intake was 114 but we average 80+ two times per month. Without their help we could not provide the best experience as they begin their new life journey here to the United States of America. Our partnership with Cecilia and OHA was sent from Heaven. If you would like more detailed info please reach out.

Thank you
